Product Description

Combining stunning 4K resolution with smart streaming functionality and a portable design, the ViewSonic X10-4KE projector delivers a cinematic experience from anywhere in your home. With a lightweight design, easy carry handle, and short throw lens, this projector can be easily moved from room to room, and even outdoors to your backyard. No matter where you watch, images remain vivid and clear thanks to 2,400 lumens of brightness, Rec. 709 compatibility, and stunning 4K Ultra HD 3840 x 2160 resolution. Integrated smart Wi-Fi connectivity lets you stream and binge from your favorite content providers like Netflix and YouTube, while support for both Amazon Alexa and Google Assistant deliver the convenience of voice control. Featuring built-in Harman Kardon Bluetooth speakers and projecting screen sizes up to 120", this little 4K projector delivers an immersive, big-time home entertainment experience.
