NMP012

Key **Features**

• Stunning Digital Video

• Flexible Design Configuration

• Simple Solution

• Supports common media formats

Product **Description**

When combined with ViewSonic® commercial displays, the NMP012 Moderro* network media player allows any organization to create stunning video walls simply and affordably. Transform a virtually unlimited number of screens into larger-than-life digital displays. Build captivating artistic configurations with screen tiling in nearly any imaginable layout. The NMP012 is a Full HD 1080p network media player, but can support brilliant 4K Ultra HD resolution across four screens configured in a 2x2 daisy chain.
