ViewSonic

STND-042-PH1

## Key **Features**

Printer Holder attachment for STND-042

## Product **Description**

The STND-042-PH1 can be easily attached to the ViewSonic Interactive Kiosk Solution and provide convenient storage for mobile printers such as the Star SM-S220i Portable Printer. An add-on printer can be used for generating items such as store lists, registry items, or directories.
