## Product Description

---

Featuring an ultra-wide 34" screen, the ViewSonic® VA3456-MHDJ monitor is ideal for both office use and home entertainment. With WQHD 3440 x 1440 resolution, the VA3456-MHDJ delivers 2.4 times more pixels than standard Full HD monitors, giving users more detail for work or play. A 21:9 aspect ratio and a frameless design provide extra screen real estate so users can display more content, switch between applications more quickly, view documents side by side, and view multiple windows at once. With an incredible 400 cd/m2 brightness, users can expect clear documents and vibrant images no matter the environment or ambient lighting conditions. Dual HDMI and a DisplayPort input ensures crisp digital quality and flexibility to connect multiple computers, gaming consoles or any other digital device to this productivity-boosting, multimedia monitor.

# Specifications
