Product Description

Say goodbye to unintelligible audio and hello to crystal clear conversations with the VB-MIC-201 USB omni-directional microphone. When connected to the VB-CAM-201 4K webcam, this USB microphone extends the pickup range up to 26 feet (8 meters), making it ideal for larger spaces such as executive board rooms or auditoriums. The VB-MIC-201 also features an illuminated mute button for instant privacy during meetings. Disclaimer: The VB-MIC-201 is an optional accessory for the all-in-one video conferencing camera (VB-CAM-201). This package does not include the ViewSonic all-in-one conference camera (VB-CAM-201) or display panels.
