

LCD-DMA-002 SPRING-LOADED DUAL MONITOR MOUNTING ARM FOR TWO MONITORS UP TO 27" EACH

Key Features

- Dual Monitor Mounting Arm
- Advanced Ergonomics
- Spring-Loaded Design
- Flexible Monitor Positioning
- Clamp and Grommet Attachment
- Integrated Cable Management

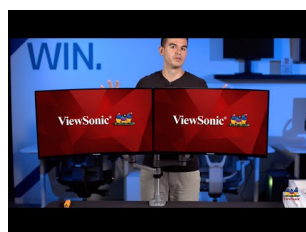

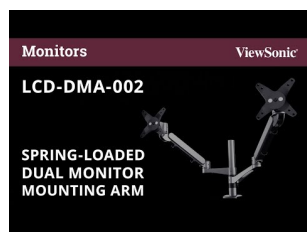

Product Description

Need more real estate on your desktop? With the ViewSonic LCD-DMA-002 Spring-Loaded Dual Monitor Mounting Arm, you can position your monitors where you want them. With standard VESA-compatible mounting points, the LCD-DMA-002 can accommodate two monitors up to 27" in size, lifting them up and off your desktop to free up workspace and boost productivity. The spring-loaded design delivers fully articulating tension adjustment for effortless movement - allowing you to tilt, pan, swivel, pivot, and lift your monitors for customized comfort. What's more, an integrated cable management design minimizes cable clutter without interfering with ergonomic functionality, while a two-in-one desk mount design makes mounting to your workstation a breeze.

Specifications
