Product **Description**

Designed for the modern-day home office, the ViewSonic® VX2485-mhu is a 24" Full HD IPS monitor that combines style with optimal versatility and functionality. Whether for gaming, streaming, or editing, these sleek and slim displays are engineered with the everyday user in mind. Equipped with AMD FreeSync™ technology*, this monitor's variable refresh rate capabilities virtually eliminate screen tearing and stuttering for a smoother viewing experience. With a three-sided borderless design, thin profile, and thoughtful cable management features, this display transforms the desktop into a streamlined and clutter-free workspace. What's more, a unique ergonomic stand allows you to easily tilt and swivel the screen for maximum comfort. The latest USB 3.2 Type-C connectivity delivers charging power, video, and audio over a single cable, while HDMI and VGA inputs keep you connected to your favorite devices.
*AMD FreeSync supported via HDMI only
