Product Description

From the classroom to the conference room, the ViewSonic® LS610HDH projector puts your ideas in the best possible light. Powered by the latest in lamp-free LED technology, this high-brightness projector produces 4,000 ANSI lumens for razor sharp images and presentations in environments with strong ambient light. Treat your audience to spellbinding slideshows in vivid colors thanks to a wide color gamut. An eco-friendly, lamp-free design reduces maintenance and dramatically lowers your total cost of ownership, while 1080p Full HD resolution with HDR/HLG support helps you get your points across with complete clarity. Enjoy convenient features like instant power on/off, image correction, flexible setup and so much more. This projector comes equipped with comprehensive LAN control for compatibility with Crestron, AMX, Extron, PJ Link, ATEN and ViewSonic vController systems.
