ViewSonic®

CDE30 Wireless Presentation Displays

EASY SCREEN SHARING FOR BETTER MEETINGS

Connect in seconds, not minutes.

Streamline your presentations, enhance collaboration, and succeed with our most connected displays yet – the ViewSonic® CDE30 series of wireless presentation displays. Whether your employees are in office or working remotely, they will enjoy fast and easy ways to communicate thanks to ViewBoard Cast™ screen sharing software and the myViewBoard® Display app that allows up to four participants to connect and share content.

What's more, these displays contain a powerful secured SOC that delivers smooth content playback without the need for a PC or media player. Built for any conference room size, we offer the CDE30 series in a range of sizes from 43", perfect for huddle spaces and personal use, up to 98" for large boardrooms.

- **Wireless Presentations:** Use the ViewBoard Cast™ screen sharing software along with the web-based myViewBoard® Display app to allow up to four participants (on-site and remote) to connect and share their content regardless of what OS platform they are using (Windows, MacOS, Chrome OS, Android, iOS).
- **Device Management:** Included myViewBoard® Manager software enables IT admin to securely setup, manage and maintain all of your digital displays from a centralized dashboard.
- **Superb Picture Quality:** With 4K resolution, high brightness and 25% high haze anti-glare glass treatment, these displays deliver bright, clear and sharp images in any indoor environment.
- **Flexible Installation and AV Integration:** Screens can be mounted in either portrait or landscape mode, while thin uniform bezels and HDMI 2.1 in/ 2.0 out allows for seamless 9-screen tiling. USB-C with 65W power delivery delivers additional convenience. These displays are Crestron Connected® as well as Extron and AMX certified for seamless integration and automated control.
- **Optional Accessories:** Customize your meeting space with our complete ecosystem of accessories including speakerphones, webcams, wall mounts, mobile carts and more.
