

ViewSonic® VG57V Video Conferencing Monitors

SAY HELLO TO CLEAR COMMUNICATION

Zoom and Windows Hello Certified

Experience better video conferencing right from your desktop with the **ViewSonic® VG57V series of docking monitors**. With Zoom certified video conferencing performance, and Windows Hello certified sign-on, these monitors ensure that meetings are clear and secure whether you're in the office or working remotely.

Available in a 24" 1080p model, or a 27" Quad HD model, these monitors feature USB-C connectivity with 90W power delivery, RJ45 Ethernet, and daisy-chain capabilities for full and complete docking solutions.

CLEAR COMMUNICATION

A Zoom® certified Full HD pop-up camera, microphone and front-firing 5W speakers ensure you look and sound as good on video as you do in person.

WINDOWS HELLO CERTIFIED

IR integrated camera offers convenient facial recognition for a safe, password-free, single user sign-on.

SIMPLIFY YOUR SETUP

USB-C delivers fast data, audio, video and 90W power delivery over a single cable. RJ45 Ethernet lets you connect to your wired network. Additional USB-C with 15W power delivery allows quick access for phone charging or connecting peripherals.

FEATURE-PACKED CAMERA

An ergonomic camera with adjustable LED lights helps you find the perfect angle for your videos without losing your optimal monitor positioning.

DOUBLE YOUR SCREEN REAL ESTATE

DisplayPort out allows for easy daisy chaining to additional monitors. *MST is not supported by MacOS.
