Product Description

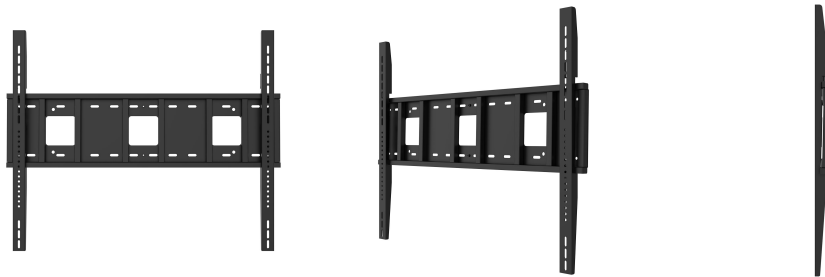

Enjoy greater stability when mounting your 75" - 110" ViewBoard® interactive display or presentation display with the ViewSonic® VB-WMK-004 fixed wall mount. This heavy-duty wall mount is designed to support displays up to 793.6 lbs. (360 kg) with 400 x 400mm or 1000 x 800mm VESA patterns. Featuring a durable iron core with a powder coated finish, this wall mount boasts an unobtrusive, minimalist appearance that's designed to last. Each wall mount features a detailed guide and all the accessories necessary for a streamlined installation experience. A robust locking system keeps your wall mount secured while also safeguarding against accidental unmounting or lateral movement. Enjoy the peace of mind that comes with securing your large-format display with the VB-WMK-004 fixed wall mount.
