Product Description

The ViewSonic® NMP660 is a Chromebox with built-in Chrome OS and Google Play store. When combined with a ViewSonic® ViewBoard® interactive display, the NMP660 can transform any classroom into a distance learning hub, and any conference room into a videoconferencing suite. Powered by Google Hangouts™, the NMP660 helps to better facilitate presentations, brainstorming, and decision-making – even when your employees, clients, or students are spread across the globe. What’s more, with quick out-of-the-box setup, integrated Google management console, and built-in security features, the NMP660 is an ideal videoconferencing solution for both education and corporate environments.

Google Auto Update Expiration (AUE): Jun 2025
