

LD-STND-001

Key Features

- Includes lockable casters/wheels, allowing this solution to be either mobile or fixed depending on the application
- Modular display installation lowers cost by reducing the amount of labor required
- Sleek, aesthetically appealing design
- Compatible with LD135-151 that creates a sleek and stylish appearance ideal for any professional application

Product Description

The ViewSonic® LD-STND-001 is a mobile cart designed exclusively for the ViewSonic 135" All-in-One Direct View LED Display (LD135-151). Its sleek and slim design looks great and saves space, while large lockable casters provide versatility as a mobile or stationary solution. System integrators can quickly and easily mount the large Direct View LED Display on this sturdy and durable cart.
