Product Description

Designed to boost productivity and maximize output, the ViewSonic® VG2456a is a 24" docking monitor that transforms your desktop into a streamlined and efficient workspace. Enjoy reliable and flexible network connectivity with the integrated gigabit Ethernet port, while the latest USB-C connectivity makes dual-monitor setup a breeze and provides up to 90W power delivery to your laptop. That's not all, the integrated USB hub also provides single-cable simplicity for connecting and charging your peripherals and accessories. A best-in-class ergonomic design features 40-degree tilt and bi-directional pivot so your screen and workspace are as comfortable as you need. In addition, the included vDisplay software gives you quick and easy OSD control, as well as customized screen templates for easy multi-tasking. This monitor is also shipped in eco-friendly biodegradable packaging, along with an easy-to-install quick release stand that makes for quick deployment and a lower total cost of ownership.

Specifications

	More Information
