

LCD-MA-001 SPRING-LOADED MONITOR MOUNTING ARM FOR ONE MONITOR UP TO 32"

Key Features

- Spring loaded for durability and effortless movement
- Quick release design
- VESA compatible mount
- Cable management design
- Green biodegradable packaging

Product Description

Need more real estate on your desktop? With the ViewSonic LCD-MA-001 Spring-loaded Monitor Mounting Arm, you can position your monitor where you want. With standard VESA-compatible mounting points, the LCD-MA-001 can accommodate ultra-wide monitors 32" in size or larger (up to 10kg/22lbs), lifting them up and off your desktop to free up workspace and boost productivity. The spring-loaded design delivers fully articulating tension adjustment for effortless movement – allowing you to tilt, pan, swivel, pivot, and lift your monitor for customized comfort. What's more, an integrated cable management design minimizes cable clutter without interfering with ergonomic functionality.
