

# Stand and Trolley Cart

ViewBoard Accessory

# About ViewSonic

Boasting 35 years of innovative experience, our R&D team has put together a comprehensive range of display stands and trolley carts to support any presentation scenario.

# Fully Integrated with ViewBoard

ViewSonic's stands and trolley carts are fully integrated with the ViewBoard. The ergonomic design offers smooth and easy height adjustment, manually or via on-screen control, as well as providing a power source to avoid cable clutter.

\*Power source and on-screen control for selected compatible ViewBoards only

### Mobile Trolley Cart VB-STND-001

Featuring a convenient storage tray, lockable wheels and an included mounting bracket for 55"-86" screens, the VB-STND-001 mobile trolley cart is ideal for any VESA compatible displays.

- **Robust design** – for secure presentation display
- **Manually adjustable height** – for improved accessibility and visibility
- **Quick-release wheel locks** – ensure your display remains safely in place
- **Compact design** – effortlessly roll your display through confined spaces
- **Convenient storage tray** – provides a strong steel surface for accessories

### Slim Trolley Cart VB-STND-005

Providing mobility to VESA-compatible large format displays from 55"-86" and weighing up to 110 kg, the VB-STND-005 stand is sleek, modern, and easy to install in any space.

- **Slim and compact design** – smoothly move your display through doorways
- **Sturdy design** – for secure presentation display
- **Manually adjustable height** – for improved accessibility and visibility
- **Quick-release wheel locks** – easily lock each wheel with your foot
- **Convenient storage tray and mini PC bracket** – for storage of accessories

## MOTORISED STAND AND TROLLEY CART

### Motorised Fixed Stand VB-STND-004

The VB-STND-004 securely accommodates all 55"-86" VESA compatible displays (up to 100 kg). ViewBoard on-screen control offers smooth height adjustments.

- **Integrated ViewBoard on-screen control** – for seamless connectivity (ViewBoard 50 series only)
- **Motorised height adjustment** – raise or lower for improved accessibility
- **Built-in power source** – reduce cable clutter
- **Robust, reliable and secure steel design**
- **Convenient swing arm storage tray** – for accessories

### Motorised Trolley Cart VB-STND-007/ VB-STND-002

The VB-STND-002 and VB-STND-007 accommodate all 55"-86" VESA compatible displays. ViewBoard on-screen control offers smooth height adjustments and silent wheels make for convenient movability.

- **Integrated ViewBoard on-screen control** – for seamless connectivity (VB-STND-002 compatible with ViewBoard 50 series, VB-STND-007 compatible with ViewBoard 62 series)
- **Motorised height adjustment** – raise or lower for improved accessibility
- **Built-in power source** – reduce cable clutter
- **Safe learning environment** – with wheel brakes, anti-collision and caster cover (VB-STND-007 only)
- **360° silent wheels and storage tray** – for maximum movability and convenience
