## 10" DIGITAL PHOTO FRAME

### Display your memories in brilliant color

ViewSonic's 10" VFD1024W digital photo frame features ultra-high 1024x600 screen resolution to show off your memories in brilliant color and detail. This frame plays your favorite MP3 music and displays your photos one at a time or in slideshow. Load your photos through the USB port and save your favorites on the frame's 128Mb of internal memory. The clock and calendar functions keep you on schedule and the alarm feature lets you wake up to your favorite photo. As a gift, the VFD1024W is the picture perfect way to show your loved ones how much you care. Preserve your memories and relive them anytime with the VFD1024W digital photo frame.
