ViewSonic Revolutionises and Connects the Desktop Display Experience

The Viewsonic VSD220 Smart Display

An Android All-In-One Computer, the VSD220 delivers simplified computing for the novice or a full-on computing experience for the expert. Browse the web, consume digital content, run Android apps, create and edit documents and access cloud based and local applications – the VSD220 transforms PC Computing.

- 22" Touchscreen Full HD Display
- Integrated Camera, Microphone, Speakers and a full range of connections
- Hundreds of thousands of Android apps to choose from
- Cloud computing and a lot more

The complete multimedia package

Self-contained and easy to use, users can enjoy a tablet-like browsing experience, 22" touch-enabled Full HD display and a very capable computer all wrapped up into one device.

- Perfect for surfing the web, engaging on social networks and enjoying a world of Android apps
- Built-in 1.3MP webcam with integrated microphone for videoconferencing and photo taking
- Integrated SRS Premium Sound speakers

Versatile connectivity

The Smart Display offers versatile connectivity options, enabling the user to further personalise their experience to fit their individual needs.

- Includes a Micro HDMI for plugging in a notebook or tablet for an expanded screen space and supporting Touch enabled operating systems
- Compatible with a wide variety of keyboards and mice, including both USB and wireless models

The future of connected computing

With a dual point optical touch screen, an integrated Android operating system and full Google GMS certification, the VSD220 revolutionises how and where people experience the Web and Android Apps.

- Snappy responsiveness and efficiency ideal for ensuring fast web browsing
- Smooth, glitch-free video viewing
- Graphic-rich gaming and app multitasking

Key features:

- 1920x1080 full-HD resolution monitor
- Dual-core, ARM®-based OMAP™ 4 processor from Texas Instruments Incorporated (TI)
- Android 4.0 "Ice Cream Sandwich" operating system with Google GMS Certification and Google Play

ViewSonic's VSD220 Smart Display will be available in Europe mid-to-late October for an ESP of only £359 (inc. VAT).
